

JULY 2016

*Sweetest greetings to our
Brinkley Perspective Family!*

July is Dannion's birthday month, and we are looking forward to celebrating his special day, on the 20th, with extra gusto this year. Dannion's health has been challenged for the past few months, and as he recovers, we're looking forward to showing our deep appreciation for every day we are given on this precious planet. We hope you'll join us in doing the same, by celebrating your life!

OUR SPIRITUAL REFLECTION FOR JULY

Life is the most splendiferous collage of extraordinary events. Witnessing a sunrise, listening to the call of a mother robin, or basking in the magic of moonlight are all activities that beckon me to join in the celebration of life!

AFFIRMATION

*"I celebrate my life and find joy at the heart
of every experience."*
